

## CCC

### *Horseman of the Year*

*The Horseman of the Year is awarded to a person who has through voluntary service promoted the Paint Horse Breed and the California State Paint Horse. CPHA and 7CPHC proudly nominate Glenda Matties. Glenda has been involved with Paint Horses since the 1980s when she and her husband Marvin began raising, breeding and showing Paint Horses at their MGM Ranch in Galt Ca. There may be a few still around who remember Marvin and his APHA Champion Mare Easter Lita and Glenda at California shows in the 1980s & 1990s, and always Glenda with her three miniature schnauzers in tow. Marvin was always there with help or a hug for anyone needing it. They became members of SJPHC and became actively involved in promoting the Clubs shows, dinners and raffles. Glenda served many years as SJPHCs Secretary and then Treasurer, and as a volunteer show secretary, office help, Award Dinner planner and Hostess for many years. Glenda and Marvin were the first to receive the SJPHC Lifetime Achievement Award in 2001. Marvin and Glenda were also instrumental in the formation of both SPHC and NCCC through their many donations for raffle items to raise money to help fund both. In 2005 when CCC needed a Secretary for the Committee even though she no longer owned any Paint Horses she accepted the position and has been serving in the position for the last 6 years. For those of you who don't know Glenda personally and don't always get her very dry sense of humor, no one can deny that when she says she will do something it will get done. Even though Glenda was never an exhibitor herself she has been the support team first with her horses and Ranch and Clubs north and south and now as CCC Secretary.*
